libfabric topology thoughts
(teaser before f2f meeting)

Brice Goglin, Inria France
Josh Hursey, U. Wisconsin-La Crosse
Jeff Squyres, Cisco
Topology access

Two levels of topology information:
1. Topology in the server
2. Topology in the fabric
Topology in the server
Topology in the fabric

- Spine switch
- Leaf switch
- NIC
- Server A
- NIC
- Server B
- NIC
- Server C
